Borderlands 2 steam achievement guide

Grenades: the electric chair: it has a random fall from a head related to history, Uranus. The search is given by Sir Hammerlock, which is standing next to the small Moxxis bar. (It doesn't make much damage.) Or moving the platform or upwards depending on where you are. However, the bunker itself is not a place, but a huge garment. Texture results. There may be some robots that will come down, but these are easy to manage. Recommended for you when he does it, he shoots the tubes to destroy them. Complete it for the trophy. When you have finished the missile, get the chance to arm it alone or you can let Tiny Tina have to pay 20 eridium to fight it. She can be found in her chest. You will have to destroy 3 beacon. Once the bullies appear, Roland and Lilith will help you, but don't take much damage. Angel Spawn the ammunition cattas around her, then grab if necessary. Be careful with lightning firing out of the ground, this will hit you. I want the health as possible and just when it passes from the element, you would like to go full to kill him. Stocks on ammunition if necessary and health. These are areas of mortar destination. Once defeated, go inside. For me the result unlocked after deactivated, but other players have reported on the forums they understood when they are delivered to Sir Hammerlock. Haderax becomes available after completing the main texture. Reliquity: Mouthwash: it can't be lost. Kill him and get the result. It has a low fall rate. Its position: Mt. Scarab Research Center. Use acid and explosive weapons and don't forget your grenades. It could happen that there are no more enemies that generate and nothing happens. Use the area on the left to take the cover, from where you entered the building. Hard Carry: he has the chance to be in the breasts after defeating Haderax. When you reach it, you will have to Some automatic turrets. Before entering the last I have to fight a wave of robots and some other beasts, including a balding. This will take you to the burrows where you have to kill worms. This is given to you as Lilith as a research reward at the end of the DLC, when you return to the backberry after defeating Hector. Preferably when standing near a certain hunter of Caveau. Mordreca shoots them to discourage them, which makes them take more damage. Get the band back together with the mission "The slab once and future" follow the instructions. Keep the distance and click these quickly. Once those are defeated, a super Badass charger is generated. Listen to the elevator and flooding will appear. Toss Grenade if necessary and use your action skill. Some enemies could be inactive there. This will make the greatest damage, but pay attention to its turrets and other weapons, which you can silence. Easy mode: 100% drop rate after defeating Haderax, the Raid garment. There are some cases of ammunition and mortecai will drop some ammunition for you, he didn't have much help. It is not approaching closing though, wound. Meanwhile, you have to defend yourself from enemy waves, all Hyperion robots. There are also some pillars (shock central nuclei) that can come and shock when you approach you. If you have problems with some enemies, let the brick is Carristini. Infection Cleaner (SMG): This has the possibility of abandoning the mountain. Research Center Scarab out of the enemies known as new Infectious Pandora. As mentioned in the description, it is necessary to equip in all the effervescent quality gear slots. These should be quite easy, but always be careful with many of them. From there, you can easily take it down without being hit. Good. Done, "where the angels fear to trample - part 2" will begin. You will need to be particularly attentive with the Exp Loaders, moment that Exp is per explosion, which means they blow blow in a thousand pieces. You can see my home from here Completed The Mission "Bright Lights, Flying City" Always follow the instructions. If you get blows or need ammunition, return to the machines. (You will know when the blue barriers become red.) So every time you get down, you're over the many boxes to avoid being hit. Behind those stairs that were behind the bunker. For the red eye of the bunker. Take a look at where the King Slab. Only this time, it's huuuuuge. Confirmed chocolate chips allow you to consume Tiny Tina to arm the Moonshot cannon. This results in the pissistal You have to collect parts for a missile when searching "shooting the moon" Location of Haderax: twisted in depth, which is accessible via teleport to burrows. The second last wave generates a builder bot, while the last wave will generate A badger charger. If you are killed, you will free yourself to the elevator, with bloodwing to all health. Use fire weapons to offer maximum damage. Now follow the instructions again and pay attention to red circles on the ground. Every time you take one, the lasers will appear on the knee level. Shoulders: Stop: the possibility of abandoning during the mission called "A" - hunting is Vaughn "A" - "e". Other areas Borderlands 2 guides: 3 or bust complete the mission "A" - "A" "Paradise found". You will have to fight some waves of Bandit enemies. If you have elemental waste weapons, use these to your advantage. Another good point, but you will need to be a little more careful, it's the waterfall. Solution for the six results for Borderlands 2 "A" - "DLC. The spicy boy defeated Haderax the invincible. This result is related to the lateral mission. Jump on the sides of the dome, on the right you can curled up a rock. Use corrosive and explosive weapons like your primary weapons. A great place to get some cover is of Be careful though, you will still see many beasts held in captivity, and these will be released at some point, point. Some bad guys. Some enemies could generate out of the room where it is necessary to load it, but they are nothing to worry about. Angel's desire proposed the mission "where angels fear to trample" this mission requires going to "A" - bunker, "A". You can use them as a cover later. O Avoid them, or quickly run them. For this result you have to defeat Haderax the invincible. If harmony alone, I will miss this result! Decrypted! Defeat the obscure web. This result is pissist! While you make the mission "A" - "A" "Claptocurrency", offered by Claptrap, arrive at "A" - "The Veyny" - tree. Take it quickly then stops reconquering health again. You probably want to face these rapids. Anyway, here "A" - "A" "Firewall" - activate the backburn firewall. Once defeated, stock of ammunition and get some health if necessary. If you have problems with these, use the same rock as described above to get some coverage. Once killed, grasping the item that falls and direct towards the new mission markers. These are shielded, but the shields are treated with bricks. So, if you change in a fire-fighting element, don't use elemental fire weapons, it didn't hurt it. His health resistant when it is under the ground. There is a tactic very easy to defeat it. Or beacon. Its level: normal mode: Level 40 True Vault Hunter Mode: Level 60 Ultimate Vault Hunter Mode: Level 75 Your ability: Fast, can regenerate your HP. Otherwise I will miss you! Pain power connection Mans the effervescent quality gear in all slots (except class mod). This is a result of grinding. Opener (torque assault rifle): it has the possibility of abandoning Haderax chests. Goodbye, the old legal contains the "Wildlife Conservation" mission, you will have to move Wildlife conservation. Uranus can be found in Helios Falls. However, after a few minutes you will continue to change from the element. Use acid and explosive weapons against it. If you can't reach reach There are stairs up to the right. One thing finally meets the King's slab, will discover the true identity of him. Or he continues to run and turn and shoot until they died. Wait for the end to be reached, you will have to fight Bloodwing. Loot: After defeating this garment, you will get 4 speakers. There are also some car turrets over Angel, these are easy to manage, but offer some damage. You can also use the shield around Angel as a cover. So happy that he kills! Guns: Toothpicks (assault rifle): the best way to get this gun is doing the side search called "A" - hunting is the Vaughn "A" - "e" which is given by Vaughn (this is the second mission given by him). Back to the lower level, where automatic distributors are also. You want to cover to avoid rocket attacks. Pay attention to the last 2 waves. When it changes item, you will still earn some health, so you have to be fast before you keep the switching elements, otherwise you're not simply losing ammunition. Roland will deactivate the shields around the tubes one by one. Once Jack's body reached, you want to use a fire or an elemental arm electrical. Once the building is reached with the king of the slab in it, go inside. Here you will meet some spiderants and one of them is called "A" - "Dark Web" - Bloodwing needs to become each element before you can kill him. During the defeat of Bloodwing, even some spawn skates. NIRVANA (SMG): it has the possibility of dropping during the mission called "A" - "spore core, A". Be careful though, there are many different beasts held in captivity here that will attack you. After crossing the river, you will come across a builder. Also, he sells a booty you don't want right now, you will know why at the end of this mission. There are some tubes needed to destroy Reach Angel, but Jack will activate the shields, preventing you from making any damage. For more information on the attacks of him and how (easily) face it, see the "Buster" Buster "Build Buster" You reach a neglect and place the Beacon, you will need to defend it from multiple waves of Hyperion robot. As mentioned above, for more details on the manufacturer, see the "Build Buster" trophy. Once you have registered all the recorded items, you will need to upload it. In the loot they should be about 1-3 rainbow articles. Simply continue to kill them (not take trophies), and this eventually decrease. You will need pieces and pieces of the voice of him registered by some kiosks around. AntiInfection: it has the possibility of abandoning a leader related to history, Cassius Leclemaine. Leclemaine.
